### Call for Applications

## Professional Development Scholarships for Practitioners

### Description and Purpose of Scholarships

#### Overview

Scholarships for professional development are made available through the Virginia Talent + Opportunity Partnership (Virginia TOP), a public-private partnership formed between the Virginia Chamber Foundation and the State Council of Higher Education for Virginia (SCHEV). Virginia TOP is tasked with creating greater connectivity between students, institutions of higher education, and the employer community to expand paid and credit-bearing internship and other work-based learning opportunities (job shadowing, tours, mentorship, externships, apprenticeships, field experiences, etc.). Virginia TOP is organized through the Commonwealth Innovative Internship Fund and Program and administered by SCHEV.

Scholarships are available to professionals currently working in the field and to graduate students in selected degree programs. **These instructions are for applications by working practitioners.** The application for graduate students is available on the SCHEV website.

## Statutory Authority

In 2019, the Virginia General Assembly enacted into law the Innovative Internship Fund and Program ([Va. Code § 23.1-903.4](#)). The purpose of the program is to expand paid and/or credit-bearing student internships and other work-based learning opportunities in collaboration with Virginia employers. The program comprises institutional grants and a statewide initiative to facilitate the readiness of students, employers and institutions of higher education to participate in internship and other work-based learning opportunities. **Scholarships for professional development facilitate the readiness of Virginia institutions of higher education to affordably scale high-quality paid internships and other work-based learning opportunities and to support students throughout the experience.**

Scholarships are state funds and subject to the rules and regulations governing state appropriations.

## Applicant Eligibility

Eligible applicants are full-time or part-time employees whose job involves connecting students, institutions of higher education and the employer community to expand paid and credit-bearing internship and other work-based learning opportunities.

Applicants must be employed at one of Virginia's:

- Public institutions of higher education, including community colleges
- Private non-profit institutions of higher education that participate in the Virginia Tuition Assistance Grant (TAG) Program
- Higher education centers (IALR, NCI, RHEC, SVHEC, SWVHEC)

Personnel employed in any department who have a role in preparing students for careers and/or engaging employers with the goal of connecting them to students are eligible.

Scholarship **recipients** who are employees of institutions and institutes are **ineligible** to apply for two years from the date of the previous application. For example, an applicant who applies during the July 1 to August 15, 2021, application window and is awarded a scholarship is ineligible to apply again until the July 1 to August 15, 2023, window.

Applicants who are not awarded a scholarship may apply again as soon as the next application window.

## **Scholarship Types, Number of Awards, and Amounts**

Scholarships may be awarded in two categories: (1) conference presentation/attendance or (2) fees for membership in professional organizations. Each category includes three sub-categories:

- Early career professional (less than 3 years' experience)
- Emerging leader (over 3 years' experience and aspirations to achieve a leadership position)
- Diversity (applicant will provide a persuasive description of how an award to them will increase diversity based on attributes of the institution, the applicant, and/or the conference)

The number of scholarships awarded may vary each year, with the possibility that no scholarships will be awarded.

The amount of a scholarship will vary by category. Applicants may request up to the amounts listed below; awards may be for a lower amount.

- Conference presentation/attendance: up to \$2,500
- Membership fees: up to \$250

## **Allowable Uses of Funds**

Scholarship funds may be used for expenses related to presenting at or attending a conference and/or membership in a professional organization, including but not limited to the following:

- Conference registration fees, including pre-conference sessions
- Domestic travel following state travel regulations (i.e., mileage at the IRS rate; coach or economy class airfare; ground transportation; rental car; etc.)
- Up to four nights lodging (following state regulations)
- Parking
- Tolls
- State per diem rates for meals and incidentals for overnight travel

- Costs associated with a presentation (i.e., handouts, posters, displays, etc.)

Scholarship funds may **NOT** be used for:

- International travel
- Membership dues in organizations based outside the U.S., unless the membership is for a U.S. chapter

**Scholarship funds must be spent within 12 months from the award announcement date.**

## **Recipient Requirements**

Conference scholarship recipients are expected to attend a full complement of educational sessions and networking events held during the conference.

Within three months after the conference:

- If the recipient will be presenting at the conference, then the recipient must offer the presentation to an audience in Virginia, to be recorded for a resource library
- If the recipient is not presenting at the conference, then the recipient should develop a presentation for an audience in Virginia that reflects what they learned, either as a single topic or a synopsis of lessons learned
- The recipient must also document their experience in writing (with the option to include photos); the result could be posted on the V-TOP website, included in the V-TOP newsletter, or otherwise disseminated
- The recipient must complete a brief evaluation of the scholarship program.

Recipients of conference scholarships and recipients of scholarships for membership fees should also consider other activities, such as:

- Posting on social media while at the conference and referencing V-TOP support
- Participating in an interview with the V-TOP intern for the newsletter
- Volunteering to serve on the scholarship application review committee
- Becoming involved in the professional development organization, i.e., volunteering at a future event and/or joining a committee

## Application Deadlines and Award Announcement Dates

Awards will be made quarterly. Applications will be accepted on a rolling basis with a closing date each quarter. Applications submitted after the closing date for a quarter will be reviewed with applications submitted for the following quarter. Applicants are responsible for ensuring that they apply during an application window that will provide sufficient time for awards to be announced before the date of the conference (preferably before the “early bird” rate expires) or before annual dues are due for membership in a professional organization.

## **Application Processing, Review Criteria and Award**

### **Application Processing**

Applications must be submitted online by 11:59 p.m. on the closing date. The online system will send an email confirming submission.

Review of applications is a two-step process. First, SCHEV staff will conduct an administrative review to ensure that the application is complete and conforms to the eligibility and other requirements in this Call for Applications. Some applicants may receive follow-up questions from SCHEV staff. Late, incomplete or ineligible applications will be eliminated from consideration for that quarter and the applicant will be asked to revise the application (if possible) and re-submit prior to the next relevant closing date.

Conforming applications will move to the second stage for evaluation and ranking by a team of interagency and intra-institutional professionals with relevant experience and knowledge. The review team will assess proposals based on the criteria below.

### **Review Criteria**

Applications will be evaluated and assessed for impact based on factors such as:

- The appropriateness of the educational opportunity related to the applicant's job
- For early career professionals only: The narrative of the candidate's journey to their current role clearly indicates that they have found their true passion; the likelihood that the candidate will continue working to connect students to employers
- For emerging leaders only: The appropriateness of the educational opportunity related to the applicant's future career goals

- For diversity candidates only: The presentation of a compelling case that the applicant's participation will increase diversity based on attributes of the institution, the applicant, and/or the conference (diversity may include traditional aspects such as race/ethnicity, gender, etc., as well as other aspects such as a career services practitioner attending a marketing or scientific conference, a community college practitioner attending a conference traditionally attended by personnel from four-year institutions, a faculty member attending a conference traditionally attended by career services personnel, etc.).
- Impact on students and/or employers
- Future potential contributions of the applicant to the profession in Virginia and/or nationally
- Application readability, grammar and punctuation
- Compliance with application instructions
- Overall impact, such as the candidate's eagerness to learn and their plan to apply the skills and knowledge gained to benefit their careers, their organizations, students, employer partners, and their communities

## **Award**

SCHEV leadership and staff will examine the review team's assessment of the applications and make the final decision regarding awards. SCHEV staff may negotiate with applicants prior to making award decisions. SCHEV could consider many factors in making awards, including but not limited to the consensus evaluation expressed by the review team, reviewer comments, overall quality of the application, geographic distribution and distribution across institutional type.

In addition to the Recipient Requirements described above, additional terms and conditions of the award are described in the last section of the application (see Appendix).
