

V-TOP Student Ambassador Toolkit

Who is the Virginia Talent + Opportunity Partnership or V-TOP?

The purpose of the Virginia Talent + Opportunity Partnership (V-TOP) is to expand paid and credit-bearing student internships and other work-based learning opportunities in collaboration with Virginia employers. V-TOP also facilitates the readiness of students, employers, and institutions of higher education to participate in internship and work-based learning. V-TOP's goal is for every graduate of a Virginia two-year or four-year institution to participate in at least one paid or credit-bearing internship or work-based learning (WBL) opportunity.

Virginia Intern Day Student Ambassador?

We are searching for Virginia Intern Day Student Ambassadors from each college and university in the Commonwealth to serve as a social media representative and advocate for V-TOP and Virginia Intern Day. The purpose of this role is to use social media to promote Virginia Intern Day by showcasing personal internship experiences during the 2025-2026 academic year (including summer 2026). Students can be nominated by their college or university or apply directly. Some benefits of becoming a Virginia Intern Day Student Ambassador include networking opportunities with peers, campus leaders, and employers across the state. In addition, Ambassadors will gain leadership and communication skills that enhance personal and professional growth. Finally, Ambassadors will be internship student advocates representing their employers and institutions of higher education and help promote internship awareness and participation across college campuses.

What is Virginia Intern Day?

The Virginia Talent + Opportunity Partnership (V-TOP), in collaboration with the State Council of Higher Education for Virginia (SCHEV), the Virginia Chamber Foundation, and the Virginia Higher Education Business Council, is pleased to announce the fourth annual Virginia Intern Day happening on July 30, 2026. Governor Youngkin signed a proclamation recognizing the inaugural Virginia Intern Day on July 28, 2022, aligning with National Intern Day on the last Thursday of July every year. National Intern Day is an opportunity to recognize employers who have provided robust internship programs that benefit our future leaders of tomorrow and highlight interns' pivotal contributions to our ever-changing workforce. This year, we are preparing to scale our efforts by engaging even more employers and student interns across the Commonwealth.

The Program Details

What is an Internship?

Internships are a form of experiential learning that integrates knowledge and classroom theory with practical application and skills development in a professional setting. They are supervised and structured work experiences that are time-limited and ideally project-based with a tangible outcome. Through internships, students can explore career interests, build transferable skills, establish professional networks, and engage in personal reflection. Though not always tied directly to one's major or course of study, internships often complement or supplement academic pursuits, leadership experiences, or other study interests. Internships also allow employers to train and evaluate talent while building a pipeline of future professionals.

Example internship experiences include: traditional on-site internships, virtual internships, work-based learning experiences, project-based experiences, micro-internships, etc.

Qualifications:

- Enrolled at a Virginia college or university and be any year or major
- Excellent communication and interpersonal skills
- Ability to connect with students, faculty, staff, and administrators across campus
- Able to communicate with business leaders and stakeholders within your region
- Able to work independently and in a team
- Able to meet deadlines
- Strong computer literacy and social media etiquette (make sure your pages are appropriate)

Duties:

- Starting in May, post at least once a week about Virginia Intern Day
- Create interview-style clips about your internship experience to highlight on Virginia Intern Day
- Interview your internship employer and post clips throughout Virginia Intern Day
- Host a "Day in the Life" series about your internship on Virginia Intern Day (if the employer allows)
- Optional: Attend any V-TOP sponsored events happening across the Commonwealth on Virginia Intern Day
- Wear your Virginia Intern Day shirt on July 30, 2026 (if allowed by the employer)

Hours: The total time commitment is at least 15 hours starting in April until July 30, 2026, this includes once a week social media posts and active posting throughout the day on Virginia Intern Day. Ambassadors are also expected to attend 3 mandatory meetings during their roles; April 28, May 19, and June 23.

Benefits: Digital badge for LinkedIn and resume, certificate to showcase on social media, invitations to V-TOP events, current and future professional opportunities, industry exposure, complementary Virginia Intern Day t-shirt, and custom V-TOP swag.

Support: Dr. Lauren Jackson, Associate for Innovative Work-Based Learning Initiatives will be available to answer all questions and provide support throughout the program.
